Advanced Organizer

What could the following individuals have done to help the substitute?

Teacher for whom he was substituting?

Other Teachers?

Staff?

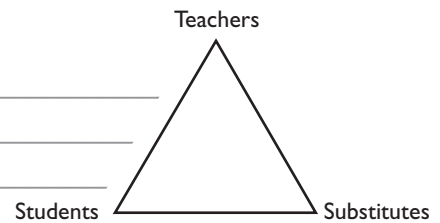

Administration?

Why does it matter what kind of experience substitutes have in a school?

What can you or your school do to improve in each of the following three areas?

Instructional Preparation—Lesson Plans

Communication Inside the Classroom

Communication Outside the Classroom—Including staff, administrators, teachers, and all those who are present when the substitute is in the school
