

SubSolutions 2021

How to attract, train, and retain the best substitute teachers.

July 7-9, 2021 • Online

Call for Presenters

Do you have a SubSolution?

The Substitute Teaching Division of STEDI.org invites you to submit a solution for presentation at a SubSolutions Workshop. Share your “best practices” with those who need it. Presenting your solutions at the workshop or participating on a panel provides an excellent opportunity to assist individuals directly involved with managing substitute teaching, and to learn from the experiences of other participants. Also please submit to be a part of the panel discussion on unemployment of substitute teachers. Presenters receive \$50 off the registration fee.

PRESENTATION REQUIREMENTS

Each presenter/co-presenter must submit a completed conference registration form. All proposals of presentations must contain content appropriate for the audience of the conference.

FORMAT

Session presentations should be in a format that best covers the material presented and fits the presenters’ individual style. Sessions are 50 minutes in length and the number of attendees varies at each session.

PRESENTER INFORMATION

Dr. Mrs. Miss Ms. Mr.

Presenter First Name: _____ Last Name: _____
